## EDUCATION

---

2008-2012	Baker University	Baldwin City, KS
Secondary Education: Social Studies		
1999-2005	University of Kansas	Lawrence, KS
BA in History		

## PROFESSIONAL SKILLS

- 
- Led discussions, instruction, and curriculum and professional development.
  - Kept up to date records of student progress and areas of growth.
  - Communicated directly and promptly with students, parents, and administration.
  - Maintained contact with parents over the course of the school year on student progress.
  - Developed interesting and interactive lessons to increase student attention and buy-in.
  - Adapted to in-class environment and situations, often on the spur of the moment.
  - Created innovative curriculum in off-hours.
  - Worked closely with colleagues and administration to build effective programs.
  - Attended professional development seminars and applied them in the classroom.
  - Built trust and respect between myself and the student population.
  - Wrote curriculum and program summaries for school administration.
  - Assisted students with both academic and life issues.
  - Coached extracurricular sports and rebuilt the school field hockey program.
  - Balanced classroom curriculum in regards to cultural and ethnic diversity.
  - Represented my schools to the public.
